# Canadian International School Anti-Bullying and Healthy Relationships Policy

Revised April 30<sup>th</sup> 2024

## Purpose of the Anti-Bullying and Healthy Relationship Policy

Everyone at Canadian International School (CIS) has a right to learn, be respected, and feel safe.

Parents who are concerned for their children in regard to student behaviour or mental health wellbeing should contact their child's class teacher or school counsellor immediately so the school can provide support.

## Identifying Bullying Behaviour

People don't always speak up when they're being bullied. They may feel embarrassed or afraid, or

- x immediate and responsive approach to any incidents reported
- x restorative approaches such as problem-solving circles and classroom conferences
- x school meetings with students and parents
- x withdrawal of privileges, suspension from school, or possible expulsion
